

TAPS Transition @Home : Term 4 2021, Week 10 (8th December 2021)

We have come to our last lesson of Transition for the year!

Next time we see you it will be 2022, a brand new year ... and you will be all ready for Kindergarten.

Summer Holidays are just about here and that means it is time to celebrate and have some fun!

What do you think you will do during the break? Will you swim? Go camping?

Our story this week sees children catching fireflies, going to the zoo, learning how to swim and enjoying LOTS of summer activities! We hope you enjoy your summer vacation – whatever you choose to do!

Here is the link to this week's story, **On the First Day of Summer Vacation:**

Our fun songs for this last week need to you to dance and sing along:

Summer Song: <https://www.youtube.com/watch?v=mVhh0oATqBI>

Have Fun This Summer: <https://www.youtube.com/watch?v=YE-BI2WRnBU>

Remember you can sing any of the songs we have done this year, whenever you like during Summer!

We hope you enjoy some time playing, making, talking, sharing stories with your children and singing along with them over the break 📖🎵.

Make sure you tell your child that we said hello and **HAPPY HOLIDAYS** 🖐️😊

Craft time:

After listening to the story 'On The First Day of Summer Vacation' maybe you can discuss what family activities you have planned for the summertime.

Discuss how school is out for the summer and then they will begin school next year.

USE anything you have at home to create a **WHALE artwork**.

Please see the **collage of ideas**, or copy our craft on the next slide.

Allow your child to have **FUN**, but with some direction!

Allow your child to **follow simple instructions**.

WHY do we do craft? **To develop fine motor skills.**

They could draw, cut, print, collage, paint, colour, glue and so on to create their whale artwork.

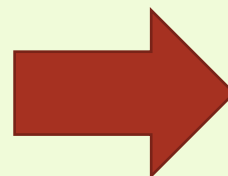

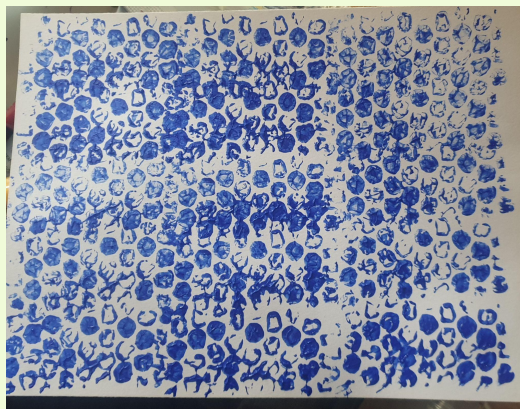

**** See next slide for our creation.....**

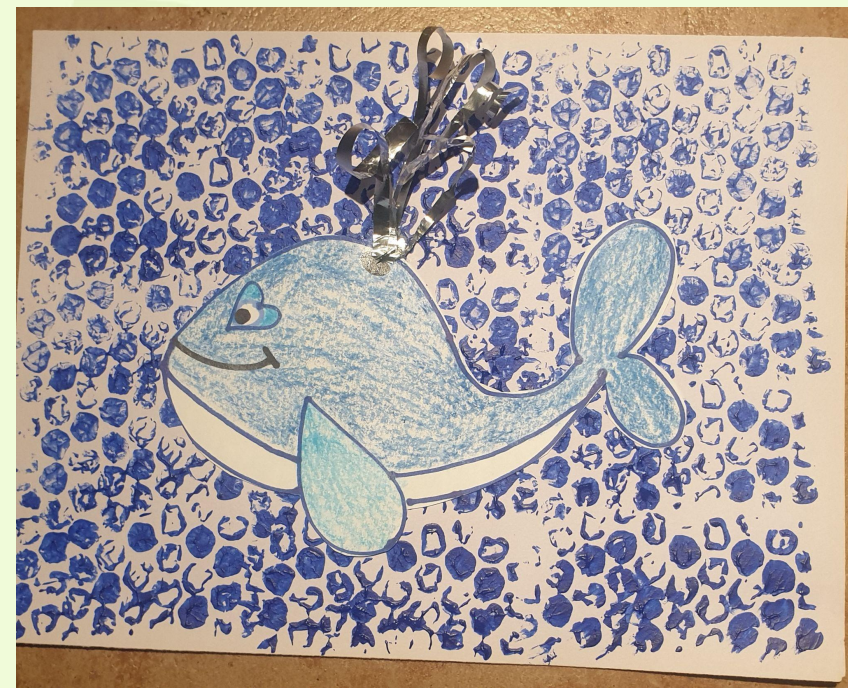

What we used:

Bubble wrap printing is fun!

Our Creation:

😊 **Have FUN!**

Write your name on the back of your whale artwork!
