Dear Parent/Carers,

3 August 2023

Ambarvale High School has organised two **High School Transition** taster sessions to help prepare students attending their school in 2024 (Year 7). **It is expected that ALL students enrolling at Ambarvale HS in 2024 attend both sessions (over two separate days) from 11:15am-1:15pm.** The purpose of the sessions is to familiarise students with daily life at high school, establish expectations for their new school, and to expose students to the different setting that high school offers over primary school.

The schedule for this includes 2 different programs run alternatively each fortnight. Students will engage in each program to allow them to gain a wide variety of experiences and to have more opportunities to get familiar with the layout of AHS and how the high school operates. On each day, students will move through 3 different subjects, spending about 40 mins at each station.

**Program 1: includes History, PDHPE and Art.**  
**Wednesday 9th August 2023 11.15 - 1.15**

**Program 2: includes Maths, Science and Geography.**  
**Tuesday 15th August 2023 11.15 - 1.15**
