Stage 2 History Incursion

Stage 2 classes will be participating in a hands-on incursion on **Tuesday 19/9/23** where they will role play and engage in activities to further explore the concepts studied this term in the History unit 'First Contacts'.

Students have been learning about traditional Aboriginal culture, world exploration, British colonisation and the First Fleet and the interactions between Aboriginal people and early traders, explorers and settlers.

The school has organised and fully funded the incursion workshops and experiences and the incursion will occur onsite at Thomas Acres Public School. Please be aware that one of the activities will involve a campfire where a staff member will demonstrate the cooking of damper.

The incursion will run during **normal school hours** and **full school uniform** is required on the day. There is **no travel or cost to students required**.

We can't wait to share some pictures of the day with you!

Mrs Grae and Stage 2 teachers.
