## Tell Them From Me – Parent Surveys

Dear Parents/Caregivers,

Each year, our school participates in the Tell Them From Me surveys. The parent survey helps to clarify and strengthen the important relationship between parents and our school. Participation in the parent survey is optional, however we do encourage as many parents as possible to complete the survey so that we have more voice from our parent community.

### How long will the survey take?

The survey takes around 20 minutes to complete. If you have more than one child at the school, **you may choose to complete the survey more than once**, if you feel that your children's experiences differ.

### How long will the survey be available for me to complete it?

The survey will be available until Friday 3 November (Week 4).

### What if I speak another language?

The survey is available in multiple languages.

### How do I access the survey?

The survey must be completed online using the following link: <http://nsw.tellthemfromme.com/taps23>

We will also make the survey available to you each afternoon at the front of the school. Stage 3 students will provide laptops and internet access from 2:15pm each day, throughout Weeks 3 and 4.

### What happens if I complete the survey?

The information you provide will help our school to better understand the experiences of our families. If you do complete the survey, you have the chance to go into a raffle to win one of five prizes. An example of the prizes has been posted to our school Facebook page. Check it out!

### How do I enter the raffle?

Please fill in the slip below with the time and date you completed your survey and return to your child's classroom teacher. The raffle will be drawn on Monday 6 November (Week 5). Winners will be notified by phone and arrangements will be made to organise the collection of prizes.

Please contact Ms Houlton at the school on 4626 4577 if you have any further questions. Thank you in advance for your input and voice!
