Special Religious Education (Scripture)

A feature of the public education system in NSW is the opportunity to provide time in class for education in faith and morality from a religious perspective at the choice of parents.

The school website <https://thomasacre-p.schools.nsw.gov.au> provides information on these options to support parent/carer choice.

A parent/carer may at any time notify the school in writing that they wish to change their decision. After this year, students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE) please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE option is not available, please contact the approved provider. Students not attending SRE are given supervised alternative meaningful activities.
