

# Sentral for Parents

Thomas Acres Public School is delighted to introduce the Sentral Parent Portal. This exciting new communication platform will keep you fully informed about Attendance, Assessments and Reports, which will make it easier than ever for you to manage your child's education - anytime, anywhere.

Sentral helps parents and carers stay connected with our school community and keep you informed about your child's education. The Sentral Parent Portal provides parents with information about their child's time and activities at school. Access to the portal and each student's information is individualised, protected and made private by a username and password.

On the portal you will find:

- attendance records for your child
- a record of your child's activities at school, including excursions
- individual NAPLAN results
- copies of student reports

To register for the Parent Portal, you will require your family access key. A letter with this information will be sent home to all families. Should you not have received this information, or require your access key to be reset, please contact the school office via email ([thomasacre-p.school@det.nsw.edu.au](mailto:thomasacre-p.school@det.nsw.edu.au)).

The address to register for the portal is:

**<https://taps.sentral.com.au/portal/register>**

Once successfully registered you will be prompted to enter your username (email address) and the password you created. To see information from the school and to link to your enrolled children, enter the access key provided.

The URL for continued access to the portal:

Communication within our school community is easy.

You can connect directly with administration and teachers. The calendar function means you'll always be up to date with key dates and events.

The Newsfeed and daily notice function can be filtered to your choosing of topic and soon you will be able to make secure payments of fees and excursions within the Parent app as well. All at your fingertips.

We are confident that you will see the benefits of your registration immediately and be part of our journey in providing this facility to you. Should you require assistance, please do not hesitate to contact the school alternatively you can view a [short video](#) that may provide you the assistance required.
