Concussion acknowledgement - I acknowledge that if my child has sustained a concussion in the lead-up to the event, I must provide medical clearance to the school or the supervising teacher prior to competition commencing.

I understand that if my child sustains a concussion or suspected concussion during a NSW Department of Education sporting event, they will be removed from competition until medical clearance is provided to the supervising teacher.

This year Thomas Acres PS will be offering students the opportunity to attend the Campbelltown PSSA Hockey Development Day. These Development days will be held on the same days as other Winter Gala days, however rather than competing in 3 games throughout the day students will be developing their Hockey skills. As this is a skills development program students will **not have to pay** for the Hockey Development Days.

If you wish for your child to attend, please complete the Permission Note and return it to the Office by the due date.
