

FUNDRAISING WITH RETURN AND EARN

Dear Parents and Carers,

Thomas Acres Public School has partnered with Nepean Distributors to help fundraise using the NSW Container Deposit Scheme (CDS).

We kindly ask that all children assist us by bringing eligible containers to school with them each **Monday** where they will be collected and processed at the bulk collection point by Nepean Distributors. Students are asked to bring their containers to the designated collection points, near the front office or near the canteen, and place containers directly into the **green bins** provided.

Nepean Distributors is **NOT** charging the school for this service all net funds will go directly towards assisting your child's education in the form of new programs and equipment.

A list of eligible containers can be found at www.returnandearn.org.au. We would also like to ask that **NO** glass or milk containers be brought to school and that all containers are empty, uncrushed and have the original label intact.

Which containers can be returned for a refund?

aluminum / steel

plastic

Liquid paperboard

Thank you for your support,

Mrs Cassandra Josephson and Mrs Natalie Puntoriero
