Heartbeat: Signals and Signs

Dear Parent/Carer

Heartbeat is a series of events and activities for Stage 3 (Years 5 and 6) Indigenous students. Science matters will include educational and interactive workshops to help raise awareness of health issues, inspire some to aspire to careers in medicine and health-related fields, and present University as a place for future learning. Students are invited back each year for different events that build upon the knowledge and experience gained previously.

Your child has been selected to attend this cost-free day, which will include an introductory session followed by various fun and educational activities. Details are as follows:

When: Tuesday 10th March 2020 (Term 1, Week 7)

Where: WSU (Western Sydney University) Hawkesbury Campus

Time: 9.45am until 1.30pm

Leaving school at approximately 8.20am and returning approximately 3.00pm
(we will provide updates on our travel that afternoon via the school office)

Contact: Mrs Azevedo or Ms Kinchela on 4626-4577

Transport: WSU Shuttle Bus to and from school.

This will be driven by a staff member from Western Sydney University.

Students are required to wear full school uniform (the Aboriginal Cultural Polo Shirt would be great!) and bring a cap (and jumper if necessary). A healthy lunch and snacks will be supplied. Mrs Azevedo and Ms Kinchela will be accompanying the students on the day.

Please return the permission note (below) to school by **Wednesday 4th March 2020**.

Mr S Pope
Principal

Mrs S Azevedo
Aboriginal Education Co-ordinator

Ms V Kinchela
Aboriginal Education Officer
