Connect Meet Invitation

Dear Parents and Carers,

We would like to invite you to a parent-teacher-student interview in Week 5. The purpose of the meeting is to discuss your child's learning and aspirations, and set them up for a positive and successful year.

This meeting will be one of three throughout the year. The first, which is our **Connect Meet**, will allow students, parents and teachers to build a profile on each student which outlines interests, passions, hobbies, learning habits, learning goals and other information which will be a valuable resource for teachers to use in the design of personalised activities and learning programs. The second meeting, our **Re-Connect Meet**, will be an opportunity to revisit the students' profiles half-way into the year, to reflect on learning and goals, make necessary adjustments, and reset goals. The last meeting will be the **Celebrate Meet**, which as the name implies, will be a time to celebrate learning and achievements throughout the year.

The meetings will be approximately 10 minutes in duration, and each student will bring along their personal profile that they have been working on in class leading up to the Connect Meet. Further discussion and input from you will complete the student profile. All students in the school will have a personal profile to ensure staff know each and every child well, enabling teachers to make the best possible decisions and plans for future learning.

Your child's class **4/5S** will be conducting the Connect Meets on **Monday 2nd March**. Please indicate a suitable time for the Connect Meet by ticking your preferred time below and returning to your child's teacher. We will attempt to give you the session time that you request, or close to that time.

For interview times outside these options due to work commitments, please contact the class teacher to make an appointment at a more convenient time.

Deputy Principal
