

# Epic Reading Online

Hi Parents/Carers/Students

Welcome to remote learning 😊

On the following pages you will find a code and instructions to log into Epic reading. There are hundreds of books for you to choose from. These can be read by yourself (parent/carer), listened to from the device or read independently by your child. The aim is to read as often as you like.

Teachers can log in and see which books you have chosen to read and for how long this took. Your teacher or librarian may add some books to your collection for you to log in and read.

If online reading is not practical for you, we will be opening up borrowing at school to ensure you have the opportunity to read as frequently as you like.

If you would like to borrow from the library please contact us via email with your child's name and class so we can loan some books to you. If you have any preferred titles or topics please add them to the email and we will endeavour to get you your titles. Please provide a contact number so we can advise when your pack is ready for collection.
