

TAPS Transition @Home : Term 3 2021, Week 3

We hope all our families are staying safe and well in lockdown.

Over the weekend we noticed a beautiful full moon in the night sky – did you see it? We encourage you to look up at the night sky with your child and talk about what they see and how they feel when they are looking up.

This week, our link to an animated story is all about the moon:

Papa, Please Get The Moon For Me - <https://www.youtube.com/watch?v=sGqAw7UM6qo>

Remember to sing our weekly songs often (we provided the links last week):
The Alphabet Song, The Number Song, and The Days of the Week Song.

Here are two new fun songs for this week:

HEY DIDDLE DIDDLE - <https://www.youtube.com/watch?v=caRuhprYIOQ>

DAY-TIME & NIGHT-TIME - <https://www.youtube.com/watch?v=gNDUPDtrkjQ>

We hope you enjoy some time playing, making, talking, sharing stories with your children and singing along with them 📖🎵.

Make sure you tell your child that we said hello 🙌😊

Craft time:

After listening to the story 'Papa, Please Get The Moon For Me' and looking at the moon this week (see photo of the moon from the weekend), it has inspired a **MOON art/craft this week!**

USE anything you have at home to create the moon (paper, paint with brush or sponge, cotton wool, crayons), sky (paint with brush or sponge, crayons), stars (stick on, draw with crayons/markers, stamp) and ladder (cut magazine paper, paddle pop sticks).

It's **FUN**, but with some direction! Allow your child to follow simple instructions.

WHY do we do craft? **To develop fine motor skills** 😊

SO use different materials and allow your child to experiment.
